- Certified Scrum Master
- JavaScript, TypeScript
- React, Jest, Git
- Node.js
- Express.js, APIs
- Storybook, Figma, Adobe

I am a highly motivated frontend developer student looking for an internship or a graduate program, where I can further develop my skills. I have a good understanding of the backend ecosystem and a strong design background.

I am dedicated, detail oriented and always looking for opportunities to grow my knowledge. I am also easy going, friendly and receptive to feedback.

EDUCATION

Frontend development

Hyper Island '22 - Apr '24

MSc Urban Regeneration

Sheffield Hallam '12 - '14

MA Urban Design: Art City Society

Barcelona Universitat '08 - '10

WORK EXPERIENCE

theplanetisyourcanvas.com - fullstack project

UN Environment Programme LATAM and the Caribbean · Nov '22 - May '23

- Worked closely with a designer to develop a react web page following mobile-first techniques
- Implemented a voting widget using Firebase Database and Firebase Authentication, to register visitors during the voting stage of the competition, and allow them to vote for their favourite artworks
- Used Git, to manage code changes and maintain a clean codebase

Community Content Management

TikTok · Nov '20 - Jul '22

Level 2 CS Specialist

Rail Europe · Mar '19 - Sep '20

Frontend developer

Gurú Brand Buró · Dec '11 - Jun '13

- Built and maintained websites using HTML, CSS, and Javascript, following the design made in-house
- Provided ongoing support and maintenance to clients
- Used Wordpress to provide clients with a Content Management System
- Clients: Frontour (Mexican Fronton Tour) , RojoLuz and Clinica Equilibria

Information Designer

Various Clients · Jan '06 - Dec '13

I have plenty of experience working in editorial and web design, for a wide range of clients such as Iñaki Echeverría Arquitecto (MX), Milenio Newspaper (MX), Grupo Adi (ES), ChinUp (NL) and Universidad Financiera (MX) among others. Work available upon request.

Editorial Designer · Project Manager

BUNKR · Jan '06 - Jan '08

I established a free print publication of 10,000 copies, which aimed to promote arts and culture in Puebla, Mexico. My responsibilities included selling advertising space, overseeing distribution, and collaborating with artists, designers, and writers to develop each edition.
